LUCK 'O THE IRISH continues to follow Leo O'Neill as he officially retires Friday afternoon with a farewell party given by fellow courthouse workers. Mr. O'Neill, a deputy county clerk for the past 16 1/2 years, reminisces with County Clerk Wayne Weiser as friends gather to honor him.

## Candidates File Demo Contest On Council Reviews Streets

### C. R. Law B. Wilson In Race

Filing deadline closed Monday for the May primary elections with contested races for four offices on the Democratic ballot. C. R. (Roy) Law and Bassel Wilson both filed for County Democratic Chairman; Max McClaren and Mrs. Ruby W. Arledge filed for County Superintendent of Schools; Mrs. Dora McCasland, Charles F. Becker and Dalton Caffey filed for Commissioner Pct. 4 (Thorndale), and John M. Weed, Jr. and Harold Love filed for Pct. 16 Chairman (Rockdale).

Law, who filed this week for County Democratic Chairman, is a rancher west of Cameron. He was Milam County Tax Collector from 1925 to 1934 and has served as a county Democratic precinct chairman for 8 years. Wilson, also a candidate for county chairman, owns the Milam Motel in Cameron. He served two terms as Mayor of Cameron. Both candidates for County Superintendent of Schools have worked in the county superintendent's office.

McClaren is a former teacher in the Buckholts and Cameron schools and is an adult education teacher under the county schools Title I program. He resigned as County Democratic Chairman last month to file for Superintendent.

Mrs. Arledge is a counselor at Yoe High School. She was formerly Superintendent of Schools at Buckholts and was a counselor-supervisor for county schools for 10 years. She is also an adult education teacher under the county schools Title I program.

In the race for Precinct 16 Chairman (Rockdale) John M. Weed, Jr., parts manager for Miller Chevrolet-Buick, Rockdale, and Harold Love, Rockdale Texaco and Butane Propane Gas agency manager, have filed. Weed, the incumbent, was appointed to fill the unexpired term of Earl Voskamp last year.

Complete list of candidates released by Morris Coward, County Democratic Chairman, is:

W. R. Poage, U. S. Representative (Incumbent); Dan Kubiak, State Representative (Incumbent); LaVert McKinney, Commissioner Pct. 2 (Incumbent); Mrs. Dora McCasland (Incumbent); Charles F. Becker and Dalton Caffey, Commissioner Pct. 4;

O. B. Harden (Incumbent) County Judge; Grady Allen (Incumbent) District Clerk; Wayne Weiser (Incumbent) County Clerk; Charles Maddox (Incumbent) County Treasurer; Jesse Brock (Incumbent) Justice Peace Pct. 1; Jim Swamy (Incumbent) Justice Peace Pct. 3;

Max McClaren and Mrs. Ruby Arledge for County Superintendent of Schools; Bassel Wilson and C. R. (Roy) Law for County Democratic Chairman.

Coward said no one had filed for Justice of Peace at Thornedale.

Precinct chairman filing with Coward are: Sim B. Atkinson Pct. 7, L. A. Petty Pct. 29, Mrs. Tom Makey Pct. 19, John M. Weed Jr. and Harold Love Pct. 16, Byron F. Cook Pct. 15, Frank Jahn Pct. 34, Charles E. Hensley Pct. 6.

Also: Rodney A. Barker Pct. 38, Oscar Zolt Pct. 5, Jack D. Ruzicka (Buckholts), Dean Stiles (Thorndale), Joe Yager (San Gabriel), E. C. Westbrook Jr. (Milano), Mrs. James L. Terry Pct. 30, Mrs. Felix Manula, Jr. Pct. 1, Morris Coward Pct. 14, Larry J. Howell (Davilla), Mrs. Frank P. Mikulec Jr. Pct. 37, G. R. Varner (Gause), H. T. Chamberlain Pct. 3.

### Council Reviews Streets

City Council Tuesday night approved a comprehensive program of continuous street maintenance and improvement for this and the next fiscal year.

Mayor E. A. Perrin recommended adoption of the program itemized in a four-page report from a Council committee headed by Councilman R. W. Wells, including Mayor pro tem Starrett Hickman and councilman Lester Turner.

The program calls for a permanent Council committee to review street maintenance and construction progress quarterly.

It itemizes in order of priority specific projects which include new paving, upgrading existing paving and maintenance on various projects throughout the city.

Three types of streets are noted: residential, business and arterial, which move traffic either through or across town. Construction of new street projects includes one-third cost by the City which means furnishing labor and material as the city's part.

The City will make improvements without resident participation where a specific situation arises. Councilmen agreed Tuesday, Wells, chairman of the committee, was absent.

The Council discussed traffic flow along W. Sixth St. and W. Seventh St. toward Cameron Junior High School, deciding to substitute "yield" signs for "stop" signs along both streets in that area except at Fannin and Crockett.

Council also discussed paving East 16th St. which is a project listed among numerous others in

the new street plan. Scout huts and the Cameron Saddle Club arena came in for review Tuesday as two representatives of organizations using the facilities at Wilson-Ledbetter Park appeared.

Buddy Shipp, representing the Cameron Saddle Club, said they would renew a 10-year lease on the horse show arena, releasing a Scout Hut for lease to the Boy Scouts.

James Camp, a spokesman for Lone Star Council of Girl Scouts, asked for a similar lease to the LS Council for the Girl Scout Hut in W-L Park. He said no lease arrangement had been previously made with Girl Scout organizations. Council approved

### PANEL TO TALK SCHOOL FUTURE AT CITY P-TA

A panel of business and civic representatives will discuss the future for Cameron's schools 7:30 p.m. Tuesday at Ben Milam Cafeteria.

A question and answer period will follow the panel discussion.

Panelists will include: Hilliard Thomas, banker and school trustee; Coleman Duncum, president of Cameron School Board; Mrs. Herbert Nance, YHS science teacher; and E. A. Perrin, mayor and former school administrator.

Supt. D. R. Dodson said the discussion will center on future school plant needs in cafeteria and auditorium, a kindergarten program (1973) and expanded vocational program.

East 16th St. which is a project listed among numerous others in

## Oak Hill Addition Nears Completion

Enlargement of Oak Hill Cemetery is moving toward completion with leveling and grading of land by city workmen, and the planting of trees around the new addition.

The additional land, about three and one-half acres, was purchased by the City from the Louise Green estate. Adjoining the present cemetery on the south side, the addition will have space for 1250 graves.

Suggestions for developing the new section were made by a committee appointed earlier by the City Council and were adopted.

They include:

No curbing of any kind will be

allowed in the addition;

Access to each lot will be by street or a suitable walkway;

One section will be designated for babies so that a family will not have to buy an adult lot (the lots will be half the size of regular lots);

The planting of trees in the addition will be by permission of the City Council, in order to facilitate moving.

City Streets Mgt. J. B. Earle said that 26 live oak trees have been planted around the perimeter of the new addition. A fence will also be built to enclose the section.

all three leases to individual organizations.

Camp also reported costs on two areas of City property for insurance, including \$15,000 coverage on contents at City Hall (fire and extended) for \$60 for three years, and \$2,000 coverage on a city truck shed for \$75 for three years.

He told Councilmen no rating on insurance for the Cameron Airport hanger would be available until February 13. Council approved coverage of the two itemized coverages.

Routine reports showed construction work on a new 3.75 acre cemetery addition for which 26 trees are being donated by the Heffley Estate.

Also, city workmen are constructing an asphalt storage tank for increased street maintenance and improvement.

The Council bought a projector for use in classroom work by City Firemen and briefly discussed the need to appoint City Equalization Board members for 1970. No appointments were made.

## M. Fuchs Files For Council

Monroe Fuchs has filed for City Council, Place 2, now held by Bob Wells. Wells has not filed for re-election at press-time.

City Secretary J. P. Fuller said filing deadline in the April city election would be 5 p.m. March 6.

The annual city election is Tuesday, April 6 at City Hall. Fuchs is active in other civic and Chamber affairs, but has never before run for public office. He is married and is an executive of the family-owned Ideal Hatcheries, Inc., of Cameron.

### COUNTY TSTA UNIT TO MEET MONDAY

The Milam County Unit of Texas State Teachers Association will hold its winter meeting on Monday, February 9, at 7 p.m. in the Ben Milam School at Cameron.

The program will be on teacher retirement.

## Tickets For Yoe Banquet Now Selling

Tickets are on sale for the annual Yoeman Football Banquet to be held at 7 p.m. Monday, February 16 at the Methodist Fellowship Hall in Cameron.

Members of the Booster Club are selling the tickets at \$2 each.

Guest speaker for the banquet will be "Catfish" Smith, former Baylor freshman football coach. Smith is presently on the Baylor public relations staff.

The outstanding Yoeman of 1969 will be awarded a silver trophy, and the Football Sweetheart will be named. Various other Booster Club awards will be made, including one for Booster of the Year.

## Rites For W. Turner

Weldon E. (Hoss) Turner, 55, died early Saturday morning en route to a Temple hospital after a long illness.

Mr. Turner was a retired Army sergeant and a life long resident of Cameron.

Full military rites were held at 2 p.m. Tuesday in the chapel of Green's Funeral Home. Burial was in Oak Hill Cemetery.

Surviving are a son, Spec, 4 Robert Turner, a son, Gary Biskup of Cameron; three sisters, Mrs. Perch Gooch and Mrs. Ennis Renteria, both of Cameron, and Mrs. Harry Sappington of Austin; a brother Ulys Turner of Cameron; and one grandchild.

### HILLIARD THOMAS ATTENDS FEDERAL BANK CONFERENCE

Hilliard S. Thomas, president of Citizens National Bank, Cameron, and member of the Texas Bankers Association Administrative Council for District 4, was a member of a TBA delegation which visited Washington January 29-30 and conferred with federal administrative and legislative leaders on fiscal and monetary policies, particularly as they affect banking.

The delegation consisted of Association officers, members of the Administrative council and chairman of sections. Conferences were held with officials of the Federal Deposit Insurance Corporation, the Treasury, Comptroller of the Currency, William B. Camp, the Federal Reserve Board, and the Export-Import Bank.

The Texas bankers also visited the Washington office of the American Bankers Association for a briefing on federal legislation and called on Texas congressmen.

## Irishman's Luck For The County

Early week subscribers to the semi-weekly Herald include:

Louis Vrazel, Mrs. Oscar Pattillo, Lucille Maddox, Stanley Vaculin, Ellen Wilson, Frank Scharitzer, all of Cameron.

Will Stoenner of Rt. 1 Burlington, and J. L. Horton, of Rt. 3, Rockdale.

Mr. Horton told staffers he was happy to read the semi-weekly Herald because he was getting two papers a week while his wife was only getting one (from another town).

These subscribers are unified in acknowledging the clarity of type and picture, as well as the advantage of receiving two news reports weekly of local interest compared to only one, The Herald's former format.

If you are interested, The Herald's local news stories continue to increase. And advertisers are beginning to appreciate the service available through the new process and our improving technique.

If we dramatize, it is with good reason. Cameron and Milam County have never had a semi-weekly newspaper before, indeed this part of the state has but a few, the nearest Lampasas.

Cameron and Milam County have never had a newspaper with three-color production available. In fact, The Herald provides as complete a facility for reader and advertiser as any metropolitan newspaper, save for size.

110-110-110

Color comes in the next few issues, the exact start undetermined.

If you like all these advantages, tell your neighbors and family about it and tell the various businesses in Cameron and environs the marketplace will be more complete with their participation where modern Milam County shopper meets modern Milam County advertiser.

110-110-110

Like many others, Martin had the "bug" early in the week. During the night he left the bathroom, saying "I'm tired", and dropped to the floor until someone put him back to bed.

He was less tired than dramatic.

### SMITHERMAN TO HEAD ANNUAL JR. BROILER SHOW

Gene Smitherman will be chairman of the 1970 Junior Broiler Show, according to the Cameron Chamber of Commerce. Fredwill Hornung will continue as chairman of the show's planning committee.

Each year Milam County 4-H Club and FFA Chapter members in County schools participate as growers and receive 50 baby chicks from sponsoring business firms and individuals.

The chicks are raised for eight weeks and the five best from each flock is entered in the show for judging. Awards to winners are presented at a banquet following the show.

## 71-66 Win Keeps Yoe In 19AA Tie

Cameron Yoemen downed the Caldwell Hornets Tuesday night to keep their place in a tie for District 19 AA championship.

The Yoemen's 71-66 victory brings their district record to 6-1, the same as Round Rock.

Willie White piled up 26 points to lead Yoe scoring and Johnny Steamer had 20. Robert Brash-ear added 16.

James Butler and Jewell Deerman were high point men for Caldwell with 16 points each.

Ronnie Gilbert scored 20 points in the Cameron B team game, but it was in vain -- Caldwell won 64-62 in a close contest.

The Hornets also won the freshman game 54-45.

The Yoemen travel to Elgin Friday heading into the home stretch of district cage action, and will play at Georgetown on Tuesday.

## R-Bud Bond Vote Carries 6 To 1

Rosebud Independent School District last weekend approved a \$1.3 million school bond issue by 487 to 82 votes, a margin of 6 to 1.

A second issue on the ballot, which would change the school maintenance tax code number, passed 510 to 74.

Rosebud Supt. Billy Bates was impressed by the margin of the vote.

"I thought it would pass, but the 6 to 1 margin was fantastic," he said he thought the margin showed the confidence of the school patrons in their school trustees.

The vote could be voided if a February 7 consolidation effort of Rosebud and Lott Independent School Districts fails.

The bond issue for a \$1.3 million junior and senior high

## E. Stuessel Rites Held

Ernest F. Stuessel, 69, of the Mooreville community died Sunday night in a Rosebud hospital after a long illness.

Mr. Stuessel was born June 14, 1900 at Burlington. He was a retired farmer and a member of the Mooreville Methodist Church.

Funeral services were held at 1 p.m. Wednesday in the Heolcher Funeral Home Chapel, with burial in the Cottonwood Cemetery.

Surviving are a son, James M. Stuessel of Arlington; a daughter, Mrs. Gladys J. Nunn of Dallas; a brother, Ervin Stuessel of Robinson; two sisters, Mrs. Hattie Benesh of Burlington and Mrs. Tonia Keirsch of Giddings; three grandchildren and one great grandchild.

building at Travis, midway between Rosebud and Lott on US77 would automatically be void if both school districts fail to vote a majority favoring the consolidation.

Rosebud has been considering steps to alleviate structural problems within school buildings there for months. Plaster was removed from classrooms in one building when cracking and foundation movement caused interior plaster collapse.

Bates said outcome of the consolidation vote in the Lott District is not foreseeable. He said he was encouraged by the 6-1 margin to believe, if people turned out in numbers in Rosebud District February 7, the consolidation vote would carry.

Both districts must approve by a majority of voters at polls.

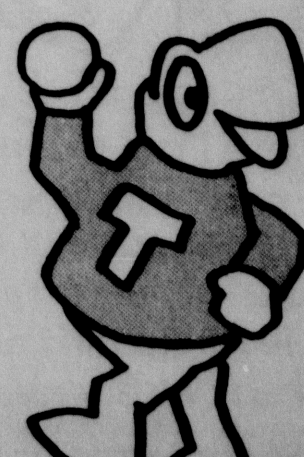

## CYOTO Host Teen Dance

A special light show will be one of the feature attractions at a teen dance sponsored by Cameron CYO on Saturday night, "The Society," a group from Waco, will provide music and the lights for the dance, scheduled from 8 until midnight at Simon-George Hall in Cameron. Admission will be \$1.25 each.

SCHOOL FOR SALE? Not really, but Stanley Schiut and Helen Chandler appear delighted with the antics of unknown signtransplanters

who placed the Ben Milam School on the real estate market Saturday night.

## One Big 'Yes', One To Come...

Consolidation is the next question school patrons in Rosebud, joined by Lott, will decide February 7.

Rosebud voters by a powerful 6-1 margin carried a \$1.3 million bond issue to construct a new junior high and high school at Travis, midway between Lott and Rosebud.

School officials were elated by the margin of the vote for the bond issue, but its completion depends on the outcome of the consolidation vote.

It is uncertain the frame of mind of Lott school patrons, but it is obvious Rosebud patrons wanted to solve the school building problems noted prior to the election.

It is safe to say this zeal for

resolving a critical school problem should carry over in the twin-district consolidation proposal February 7.

There is little question that schools are uppermost in the minds of parents and grandparents these days. It may well be a new frontier for many parents of Texas who are putting their money where their hopes are, for their children.

We suggest, as we suggested need for approval of the Rosebud school bond issue, that Lott and Rosebud patrons will follow through in a day of necessity in their community school life and of creation of a new school base on the strength of the 6-1 margin (487 to 82).

## Flu And Modern Medicine...

Were it not for the modern medicines, including the standard penicillin, there would be a lot more people sick a lot longer in the Milam area this week.

Rockdale doctors reported 150 cases of flu over the weekend while at least that many kept hospitals filled in Cameron.

It seemed the flu went up with the rise and fall of the temperature, which hit a low of 28 late last week.

Though medical costs are high, and going higher, one can see the benefits of modern pharmaceuticals and modern treatment at a time like this.

## 'Plenty Of Action' Due Texas Voters This Year

By Vern Sanford

AUSTIN

Texas voters registered to vote before the January 31 deadline are assured plenty of action for their 1970 registration certificate.

One of the nation's hottest U.S. Senate races is due to rage on through the November 3 general election.

Sen. Ralph Yarborough, 66, of Austin and former Congressman Lloyd M. Bentsen Jr., 48, a Houston business executive, are major Democratic contenders for Yarborough's seat. Whoever wins will face Republican Congressman George Bush, 45, of Houston, in November.

Gov. Preston Smith, 57, may have opposition from Sen. Ralph Hall, 46, of Rockwall, who made a last-minute announcement Monday as a candidate on the Democratic ticket. Hall's application was not accepted by the State Democratic Executive Committee for technical reasons and was referred to the Supreme Court for determination of his eligibility.

Paul Eggers, 50, of Wichita Falls, will be the Republican challenger for the office of Governor in the general election in November.

Republicans talk freely about million-dollar campaigns for Bush and Eggers.

Atty. Gen. Crawford Martin will be opposed by District Judge David Brown of Sherman in the Democratic primary and Corpus Christi attorney Edward Yturri, 42, a Republican, in November. Republicans came up with a surprising number of statewide candidates before the February 2 filing deadline.

In addition, there will be hard fought local contests in many Texas counties.

Long-time conservative leader Bard A. Logan of San Antonio said he was "tired and needed a rest" so he resigned as chairman of The American Party of Texas, Vice-Chairman H. W. Matthews of Conroe succeeds Logan until the election of a new leader at the state convention.

Chief chore of the American Party now is to get 30,000 to

attend its May 2 precinct conventions, so it can qualify to place a gubernatorial candidate on the ballot.

And there will be a sizzling November 3 battle over the liquor-by-the-drink proposition on the constitutional amendments ballot. Lines are already forming and campaigns shaping up on that.

### POLLUTION FIGHT SET

Texas Air Control Board will ask Attorney General Martin to begin legal proceedings soon against persistent air polluters, particularly in Houston and El Paso.

Pollution issue is being spotlighted by candidates from local to senatorial level.

On January 29, Texas Water Quality Board called on the U.S. Navy, seven towns and three industries to explain poor quality discharges into public streams.

Navy said it would keep on dumping raw sewage into the Sabine River until it gets \$146,000 for treatment facilities.

Towns invited to answer questions about their sewage dis-

## OLD PHILOSOPHER

Dear editor:

All governments, from towns to cities to states and on up to Washington, are always looking for new sources of tax revenue and I have just found one in a newspaper that blew across my face as I stepped out the back door the other morning and which I pulled off fast as no man in his right mind will go out my back door blindfolded on account of that loose board. It's the second one from the top. Or was yesterday. Another one may be loose by now.

According to it, South Vietnam has been charging and we've been paying 10 to 15 million dollars a year in taxes on property such as food and supplies and ammunition we've got stored there to defend the country against North Vietnam.

People talk about those backward Asian countries but somebody over there ain't so dumb.

Whoever thought up the idea of taxing us for helping them is a genius.

But I don't see why we can't learn from the mysterious East and use this idea ourselves.

For example, take highways. Most big highways are financed in great part by the Federal government. All right. If a highway comes through a county, why can't the county tax the highway? It may sound preposterous, but why not follow the Asian mind and send Washington a bill and see what happens? Who knows, if it reaches the same office that's paying U.S. taxes in South Vietnam we might get a check back in the next mail.

If it works, the lid is off. There are Federal projects and buildings all over the nation, every town has a post office -- say, there's an idea. Tax the post office. Tax the welfare office. Tax the Red Cross. Tax the Internal Revenue offices. Tax the state legislature. Tax the Governor's mansion.

The field is unlimited.

Yours faithfully,  
J. A.

charges were Celeste, Center, Greenville, Hemphill, Newton, Quinlan and Timpson.

### COURTS SPEAK

Supreme Court in effect upheld the constitutionality of a law which authorizes a youngster to be declared delinquent if he is behaving so as to endanger the health or morals of himself or others.

High court dismissed the appeal of a teenager sent to a state correctional school by a county judge before an appeals court ordered him released on bond.

Third Court of Civil Appeals denied the appeal of an Austin high school boy sent to a reform school after his school principal

ordered him to empty his pockets and found marijuana. Court said the principal was acting for the father.

Supreme Court rebuffed the effort of major bus companies to prevent Corpus Christi from operating a special bus service outside its city limits.

A Houston doctor, according to the Supreme Court, should not be held liable for damages to a patient who complained that the drug given him for a urinary infection caused him to become dizzy.

Governor's Criminal Justice Council says that 84 percent of the 1969 federal crime control money received by governments below the state level in Texas is being used in the state's major cities.

## LETTERS

Top of the Morning to You;

A couple weeks ago I noticed in the Waco Sunday paper where you had switched to the offset method to give your readers a better paper at a more reasonable expense.

Now I was wondering if I might trouble for a few minutes of your time. I am trying to obtain various printers cuts of emblems used by the railroads in their advertising. Also I would like to acquire cuts of the various railroad depots, rolling stock, derailments and such. Now I was wondering if by any odd chance their might be any cuts that the

old San Antonio & Aransas Pass Ry used when they operated through central Texas? Would there be any of the Santa Fe that you would not have any further use of?

Are you keeping all your type? I might be interested in obtaining some outline, ornate, shadow or antique face type or any out of date type catalogs in case you might have such on hand.

Say by the way in reading this morning's paper I notice in the writeup about Chester Simons, who has handed in his resignation of Chief of Police here, served as C of P in your city from 1958 to 1960. This is to

take place effective 15th of Feb. He is to assume duties of City Manager of Stroud, Okla. on the 16th.

Thought the mentioning of this might be of interest to some of your readers that might recall him when he was the Chief of Police of your city.

I am also interested in locating timetables, photos, passes, keys books about railroads and would like to contact any one that might have such from the old SA&AP Ry.

#### INCOME TAX CAN BE CHARGED ON CREDIT CARDS

Store or other credit cards may be used to pay Federal income taxes anywhere in the United States, depending on the attitude of the Federal Reserve Bank in each of the 12 Federal Reserve Districts, reports Linda Jacobsen, Extension home management specialist.  
Commenting on reports that two credit card firms, BankAmericard and Master Charge, had secured approval for plans to allow customers to charge their 1969 Federal income taxes, an IRS spokesman said, "If checks or drafts have been approved by Federal Reserve for banking purposes, they will be accepted by IRS in payment of taxes."

#### Commission Adopts Highway Program

AUSTIN

In action that will mean better highway facilities throughout Texas, the Texas Highway Commission today approved a \$406-million, two-year Consolidated Highway Program.

The program calls for construction or reconstruction of US- and State-numbered highways.

In all, a total of 1,968.6 miles of non-interstate highways will be built or reconstructed under the program. Estimated cost of the construction work is \$365 million.

Badgerettes Win District

By Alan Barkemeyer

The Buckholts Badgerettes stormed back in the fourth quarter last Friday night and whipped the Academy Bumblebees 44-40 to capture the first District Basketball crown in the history of the girls' competition.

The Badgerettes outscored the Bees in the final quarter, 19-8, erasing a 32-25 Academy lead as the fourth quarter began.

Junior Martha Vaculin spearheaded the fourth quarter comeback as she scored 14 of the Badgerettes' 19 points. In that fourth quarter she hit 4 field goals and 6 of 8 free throws. Martha finished the night as the game's leading scorer with 24 points on 6 field goals and 12 of 16 free throws, a 75% accuracy.

Becky Beckhusen whipped in 15 points on 5 field goals and 5 free throws, while freshman Debra Ruzicka dropped in five points. Marilyn Marek, Jo Ann

Beckhusen, and Gail Orsag led the defensive charge for the Badgerettes.

Buckholts cut a point off the defending champions' lead in the third quarter but still trailed 32-25 as the final eight minutes rolled around. But key defensive plays by Marilyn Marek and Jo Ann Beckhusen and the steady rebounding of Gail Orsag kept the Bees from scoring, as the Badgerettes began to hit.

Martha pumped in two quick field goals to make the score 32-29. Sefcik added a field goal, but a field goal by Beckhusen and another by Vaculin tied the score.

The Badgerettes went out front to stay, breaking a 37-37 tie, on a field goal by Beckhusen. Buckholts was never headed after that.

The Badgerettes as a team combined for 18 of 35 free throws for 51 percent while Academy hit 18 of 26 for 69 percent. Gail Orsag was the leading rebounder

for the Badgerettes while Karen Moore led the Bees. Dorothy Sefcik and Cindy Jones had 19 and 17 points respectively for Academy.

Buckholts evened its season record at 13-13 while upping its district mark to 6-1 with one district game remaining against Holland. The Bees are now 4-3.

Numerous turnovers in the first quarter stymied Buckholts' attack, and the Bumblebees capitalized on them to take a 16-7 lead at the end of the period. Academy forced more Badgerette mistakes in the second period and threatened to blow the game wide open. Dorothy Sefcik scored 13 points in the first half and the Bees led 23-15 at intermission.

Coach Jimmy Hauk led the Badgerettes to their most successful season ever this year. No Buckholts High School girls team had ever won the District Crown before.

Last year the girls had a miserable season, winning only two games and losing 22. Members of the District 54 B Champion Badgerettes this season are senior Marilyn Marek; juniors Martha Vaculin, Jeanie Marek, and Debbie Boedeker; sophomores Becky Beckhusen, Marcia Barkemeyer, Lanelle Allison, Lue Marek, and Gail Orsag; freshmen Jo Ann Beckhusen, Debra Ruzicka, Jessie Mae Webb, Janisue Zajicek, and Linda Marek.

Think you are pretty good with a shotgun? Only seven perfect scores of 100 have been posted in the Grand American Handicap at Vandalia, Ohio, since trap was started 67 years ago.

Agriculture, food processing, forestry, recreation and other typically rural industries are characterized by a high degree of seasonality. This is one of the reasons why annual income is so low in rural areas.

Federal inspection of meat and poultry costs each person in the United States about 50 cents a year. With this comes assurance that inspected products have been prepared in sanitary surroundings.

Mrs. Arledge Seeks County Supt. Post

Mrs. Ruby W. Arledge has filed for the position of Milam County School Superintendent.

Mrs. Arledge served as superintendent of the Buckholts High School for 12 years and worked for 10 years out of the county superintendent's office as counselor, supervisor, and librarian. She is now counselor at Yoe High School and teaches business law and economics.

She also works with the Yoe High School Neighborhood Youth Corps and Adult Basic Education.

# C. R. Law Seeks Election As Demo Committee Head

The purpose of this statement is to announce I am a candidate for the position of Chairman of the Milam County Democratic Executive Committee.

My friends, the Democrats of Milam County and the Democratic Party, have been so good to me and so good for my country it is my desire to voluntarily offer my services in this vital position.

I understand the compensation fixed by State law is no more than it was many years ago and is today totally inadequate however if I am permitted to serve as County Chairman of my party I will not ask or accept any salary in violation of the law.

Let it be known to all men I have complete and total respect for the laws and courts of our land.

If I serve as County Chairman a permanent record of the business and official acts of the County Committee will be maintained and preserved at all times and all receipts coming into the hands of the Committee will be properly receipted, audited and reported.

More than forty-five years activity in national affairs prompts me to ask that all Democrats join hands and move with full steam ahead to build an efficient, trustworthy service organization in Milam County.

Respectfully Submitted,  
C. R. (Roy) Law

# comfort is only one reason to switch to electric heat

Whether you're building a new home or updating your present one, you'll find that an electric heating system will provide even, draft-free comfort. But comfort is only one reason to switch to electric heat. Many people prefer electric heat because of its cleanliness, its quietness, its efficiency. And, electric heating systems require a minimum of maintenance. Only electric heat offers you such a wide variety of types of heating equipment to fit your particular need.

Contact your home builder, a Certified Electric Heating Dealer or ask Texas Power & Light Company to give you complete information about an electric heating system for your home and tell you about TP&L's special, low heating rate. Call today.

## She's The New Maid Of Cotton

**COTTON'S NEW MAID**—Gayle Thornton (center), 20-year old junior at the University of Mississippi from Meridian, Miss., is the 1970 Maid of Cotton. Named first alternate at the finals in Memphis on December 30 was Louellen Aden (right), 20, New Orleans, a junior at Louisiana Polytechnic Institute. Kibbie Simmons (left), 21-year old Emory University senior from Decatur, Ga., was chosen second alternate. The new Maid will make an international fashion and good will tour for the American cotton industry, beginning January 25 in Canada.

## Writer Says Teach Toddlers To Vote Through Newspapers

For an informed future electorate, develop the newspaper habit in children, beginning with the toddlers.

So says Ann Melvin, author of the syndicated column on children's reading, *Bending the Twig*.

Speaking of the two-year-old and over, Miss Melvin comments "Will they be thinking, informed and self-propelled voters?"

"Or will they be the led-by-the-hand and lured-by-the-screen dummy type voters?"

### SUMMER AND SMOKE OPENS WED. IN TEMPLE

The Temple Civic Theatre will present "Summer and Smoke," by Tennessee Williams, on February 11 through 14 at the Cultural Activities Center, 318 West Avenue G at South 7th in Temple. Curtain time is 8:15 p.m.

Season membership holders may call the Theatre box office for reservations. Individual tickets are available at the door at 42 for adults and \$1.25 for children and military. Reservations for tickets may be made by calling the box office after 5 p.m. on the evening of the performance for which tickets are purchased.

"Summer and Smoke" is a simple love story of a somewhat puritanical Southern girl and an unpuritanical young doctor. The play is directed by Fred Goodson, assisted by Roxie Rhoads. Jackson Bain and Esther Steward head the cast.

### BPW MEETS AT CLUBHOUSE

The Business and Professional Women's Club met Monday, February 2, in the clubhouse at Milam and Fourth Streets.

After a business meeting, members enjoyed a salad plate, potato chips, olives, and punch.

Refreshments were provided by members.

"Will they be swayed by the hot air and slick photography of Madison Avenue advertising geniuses who specialize in selling of Presidents?"

"Give your kid a boost toward self-determination. Get him in the newspaper habit."

Miss Melvin cites it as the best route to learning how to evaluate information and form an independent decision.

She suggests starting the 'newspaper habit' by showing toddlers pictures of interest to them in the paper. For preschoolers she recommends discussing one or two articles each day that might catch their attention. A jewel robbery, the birth of quintuplets, the weather, or an article about an animal.

### MRS. SMITH HOSTS A&M MOTHERS CLUB

The Milam County Texas A&M University Mothers Club met at the home of Mrs. Niley Smith, Sr. on Thursday evening, January 29.

Mrs. J. J. Heitman conducted the meeting. Members of the club agreed to make a donation towards the hospital at A&M University, and also to send a young lady from Milam County to represent the club at the annual cotton pageant as duchess. The pageant is held at the Memorial Student Center.

During the social hour the hostess served coffee and punch with cake squares. The next meeting will be held in April at the home of Mrs. L. F. Gohmert.

### SHARP - TRACY - FRIENDSHIP

By Mrs. L. J. Guillote

Henry Abel, Jr., veterinary student in A&M University was injured in a car wreck in Bryan. He is in a Bryan hospital.

Mr. and Mrs. Roger Gilleand have been on the sick list. Mr. and Mrs. Roger Gilleand Jr. came to see their parents, and took Mr. Gilleand, Sr. to the doctor.

Mr. Paul Graves, Pat Blinks and Kathy Blinks have had the flu.

Miss Melvin says even the hard news, such as the Vietnam war and elections should be introduced. "These are all part of the child's world and he wants to know what's going on in his world."

She also suggests continuing the newspaper discussions as children grow older, and broadening them into trips to the library or reference to maps and other material.

"As the children get older, you may find that a continuing interest in the day's news by the whole family helps to keep the generation gap from gaping."

### DKG BRUNCH TO HONOR STUDENTS

Beta Nu Chapter of Delta Kappa Gamma will meet at the Texan Restaurant in Cameron 9:30 a.m. Saturday, February 7, for a brunch. Cameron members are in charge of the arrangements.

Mrs. H. D. Maxwell, president, will be in charge of the business session, during which reports will be heard from the committees on Membership and the Constitution.

The program will honor future teachers, who will be high school students planning to enter the teaching profession. Each town in the chapter will bring as guests students from its school. Mrs. Ruth Taylor of Marlin, Mrs. Barbara Hudson of Rosebud, and Mrs. Nadine Zelisko of Cameron will be in charge of the program.

### MIDI RAINCOATS ARE TAKING OVER IN NEW FABRICS

Midi raincoats are taking over in fabrics of soft nylon satin, vinyl coated silk, cotton gabardine, warm acrylic or wool knits and polyurethane.

Polyurethane is a man made fabric that can be textured, crushed and printed to resemble the reptile world, explains Fannie Brown Eaton, Extension clothing specialist. It may have a soft dull or a shiny lacquered look.

Each fiber has its own care needs. The finishes applied make a difference in the amount of protection you need in a raincoat. Read the label for care recommendations and information on water protection, advises the Texas A&M University specialist.

### Working Wives Up Living Standards

COLLEGE STATION

Income that working wives bring home often makes a big difference in living standards. For families near the edge of poverty, the wife's earnings at least assure a supper.

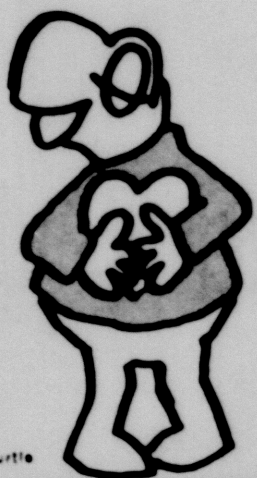

A recent study of rural South Carolina families showed that where the husband and wife worked, only one of every eight families lived in seriously deprived economic conditions, reports Doris Myers, Extension home management specialist.

When there was one breadwinner in the family, the percentage increased. One in four families were seriously deprived.

Reserachers also found many of the women surveyed would like to work outside the home. When asked whether they would accept a job if one was available for which they qualified, more than half those in the lowest income groups said yes.

By race, three-fifths of the non-whites and about a fourth of the whites wanted employment.
